INVITATION FOR BIDS

Decentralisation as a contribution to stabilisation in Libya
Bid Reference: 18.2181.8-001.00_Mun. Coord. Jalu, Jakharrah

Brief description of the Program and Project

On behalf of the Federal German Ministry of Economic Cooperation and Development (BMZ), the *Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH* is implementing the Decentralisation & Support to Municipalities project in Libya. The project is co-funded by the European Union through the Trust Fund for North Africa (EUTF). The project is targeting 24 municipalities across Libya; eight out of which are new partner municipalities to the project.

Overall, the project aims to contribute in improving inclusive local governance as well as socio-economic stabilization and development in municipalities. The project is designed to achieve four main results:

1. Support of municipal and local authorities in fulfilling their role and responsibilities and strengthen horizontal and vertical cooperation and networking;
2. Provision of services at local level and increased access to services for most vulnerable groups, in particular migrants and refugees, are ensured;
3. Develop and implement projects for economic recovery and job creation;
4. Develop and support implementation of projects for conflict resolution and inclusion of vulnerable groups, especially youth, women, IDPs, and migrants.
