- Warehouse at Janzour
- Warehouse at Kremeiya – Swani road
- Warehouse at Nofliyeen
- Tajoura DC
- Ain Zara
- Qasr bin Ghashir
- Misuratah
- Bani Walid
- Tarhouna

Stated distances are approximate values. Besides the currently known locations listed above, UNHCR may need deliveries to additional new destinations as well. The selected vendor shall apply the same pricing model for any additional destination requested by UNHCR in a similar distance.

Type of transportation vehicles required:

- small vehicle less than 5 tons
- 5 tons to 10 tons
- 10 tons to 15 tons
- 15 tons to 25 tons

UNHCR shall send a written request to the selected transporter for each transport request. In lack of written request, no work may be undertaken. Loading must be started at the required destination within 24 hours after official notice from UNHCR.

Vendor must secure access to all required destinations, including permissions and licences from local authorities.

Selected vendors will be responsible to deliver the cargo in full and without any damages to the final destinations. UNHCR

Selected vendor may be requested to perform offloading at the final destination. This is clarified on an ad-hoc basis and shall be communicated in writing by UNHCR together with the transport request. Additional price for the offloading activity is accepted as offered in the Financial Offer Form (Annex B).

The vendor is requested to maintain the offered prices for the contracted period until 31/07/2019.

UNHCR will have the right to cancel the contract anytime during the contracted period due to unsatisfactory performance.
