Call for expression of interest for construction works

Municipality of Nalut

Eoi 001/12/19

On behalf of the Federal German Ministry of Economic Cooperation and Development (BMZ), the federally owned *Deutsche Gesellschaft für Internationale Zusammenarbeit* (GIZ) GmbH is implementing several projects in Libya through the Libya Program.

The overall objective of the GIZ project is to strengthen the municipal administrations and improving basic public services and facilities, as well as local economic development. In line with the aims of the Program, GIZ is constantly engaged in a variety of construction, development and rehabilitation works, including for example, but not limited to: women training centers, football pitch project rehabilitations and renovations, solar water pumping systems supplying and installation, solid & waste management etc.

The call for the expression of interest is for the construction works in the Municipality of Nalut.

The concerned building project is:

- rehabilitation of a building in the city of Nalut to be destined to a Woman Training Center. The construction works will focus in rehabilitating the spaces in order to offer the standards of comfort and accessibility for the future users. Works will consist in (but not exclusively): installation of new facilities and toilets, demolishing and erecting of new walls, installation of new windows and new doors, refurbishment and maintenance of the existing electrical system.

The GIZ is looking for interested companies which are able to conduct the construction works on the above-mentioned project.

For an expression of interest, the companies are requested to fill the **form A12**.

In addition to form A12 please submit the following document:

- Brief company profile (max 2 pages).
